

# General rules

## Parking Systems

- 1.1 “The system may only be operated by Multibox customers who have been instructed to do so.
- 1.2 Ensure that no one is present in the parking system before operating it.
- 1.3 Only the driver of the vehicle may enter the system to park the vehicle.
- 1.4 A red light flashes when the system is in operation.
- 1.5 An alarm will sound if your vehicle is parked incorrectly.
- 1.6 An alarm will sound if the system is malfunctioning.
- 1.7 The system can be operated by one user at a time.
- 1.8 It is prohibited to use the system while under the influence of drugs or alcohol.
- 1.9 You may not park any vehicle, trailer, or the like, that is too large or heavy.
- 1.10 You may not use the system to transport persons!
- 1.11 You are personally responsible for the correct placement of your vehicle. Any damage to your vehicle or to third-party vehicles will be charged to the perpetrator when the vehicle is not properly positioned.

### 2. Rules for parking your vehicle

- 2.1 Remove the antenna and fold in the mirrors!
- 2.2 Park your vehicle in the center of the platform and your wheels up to the orange block!
- 2.3 Turn off your engine and use the handbrake!
- 2.4 Leave your vehicle and make sure your doors are closed!
- 2.5 Check if your vehicle is within the pallet;
- 2.6 Check if there are no protruding objects;
- 2.7 NOTE: The vertical distance between the trays on the floors is less than the height on the ground floor where you can stand. So, pay attention to the maximum height of your vehicle.
- 2.8 Check if the red lights are off. Otherwise, your vehicle is incorrectly positioned, meaning too far forward or too far backward.

### 3. Permitted dimensions of vehicle or trailer

*Rgl Omschrijving Afmetingen / maat / gewicht*

- 1 Maximum length of vehicle  $\leq$  5.00 m.
- 2 Maximum width of vehicle  $\leq$  2.09 m
- 3 Maximum height of vehicle  $\leq$  1.85 m
- 4 Maximum weight of vehicle  $\leq$  2,000 kg”

Note: If due to inattention or if a vehicle, vessel or trailer that does not fit according to the above rules/sizes, is stored and malfunction or damage occurs, it will be charged to you!
